high school yearbooks are usually "dedicated"

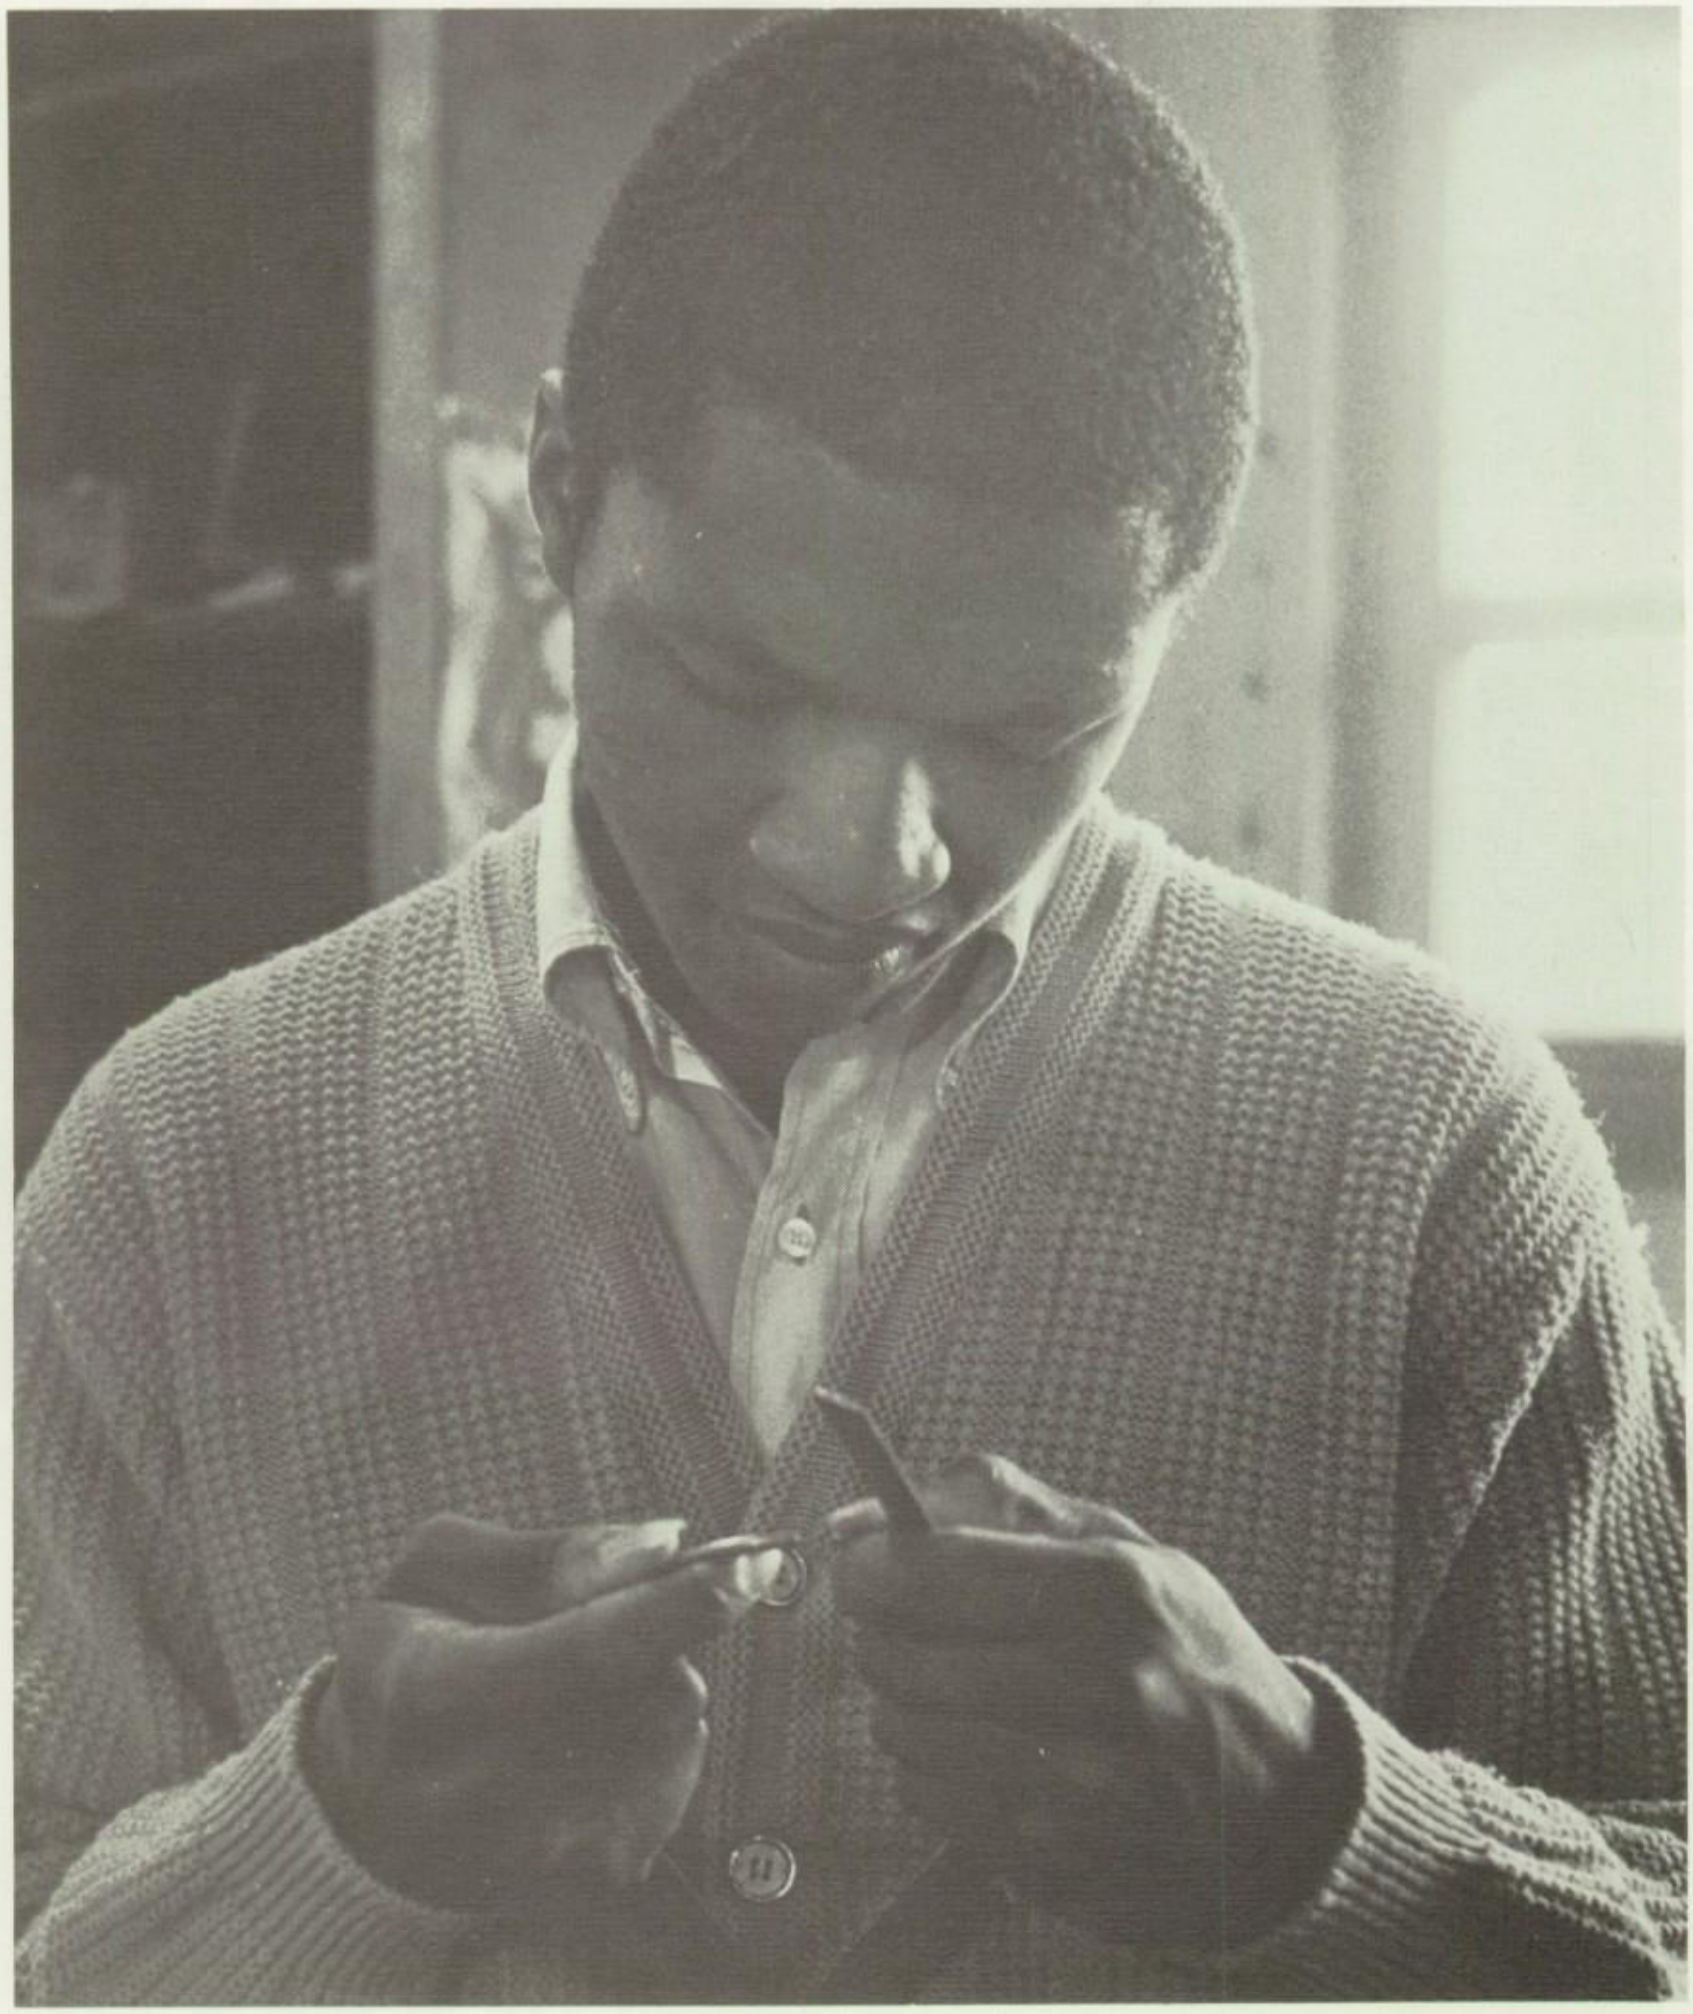
this one will be no exception

frequently dedications indulge in deserved plaudits heaped on a teacher or "friend to students" who has "helped to mould a generation of youth"

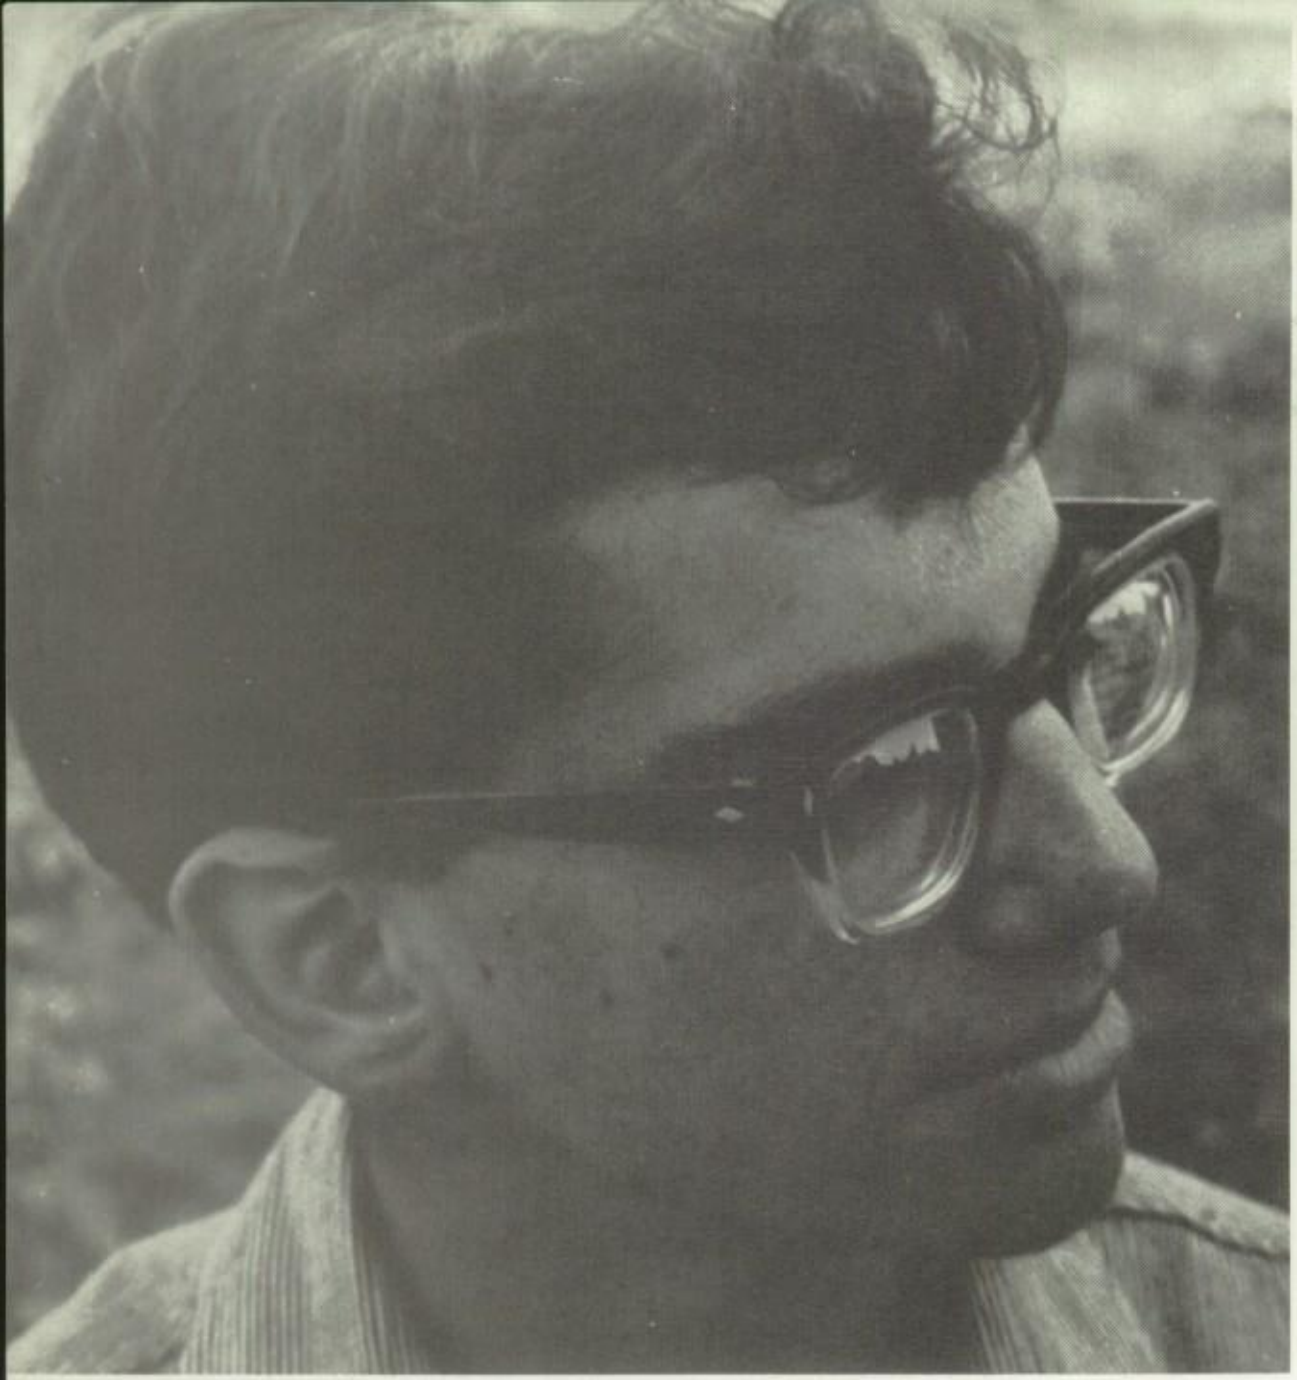
but this year, trying very hard to avoid mawkishness, the staff wishes to dispense with a personal dedication . . .

. . . because 1965 finds the world filled with insecurities and terribly
in need of a revival of the ideal of mutual respect . . .
and because during this particular year it seems, somehow,
the only right thing to do . . .

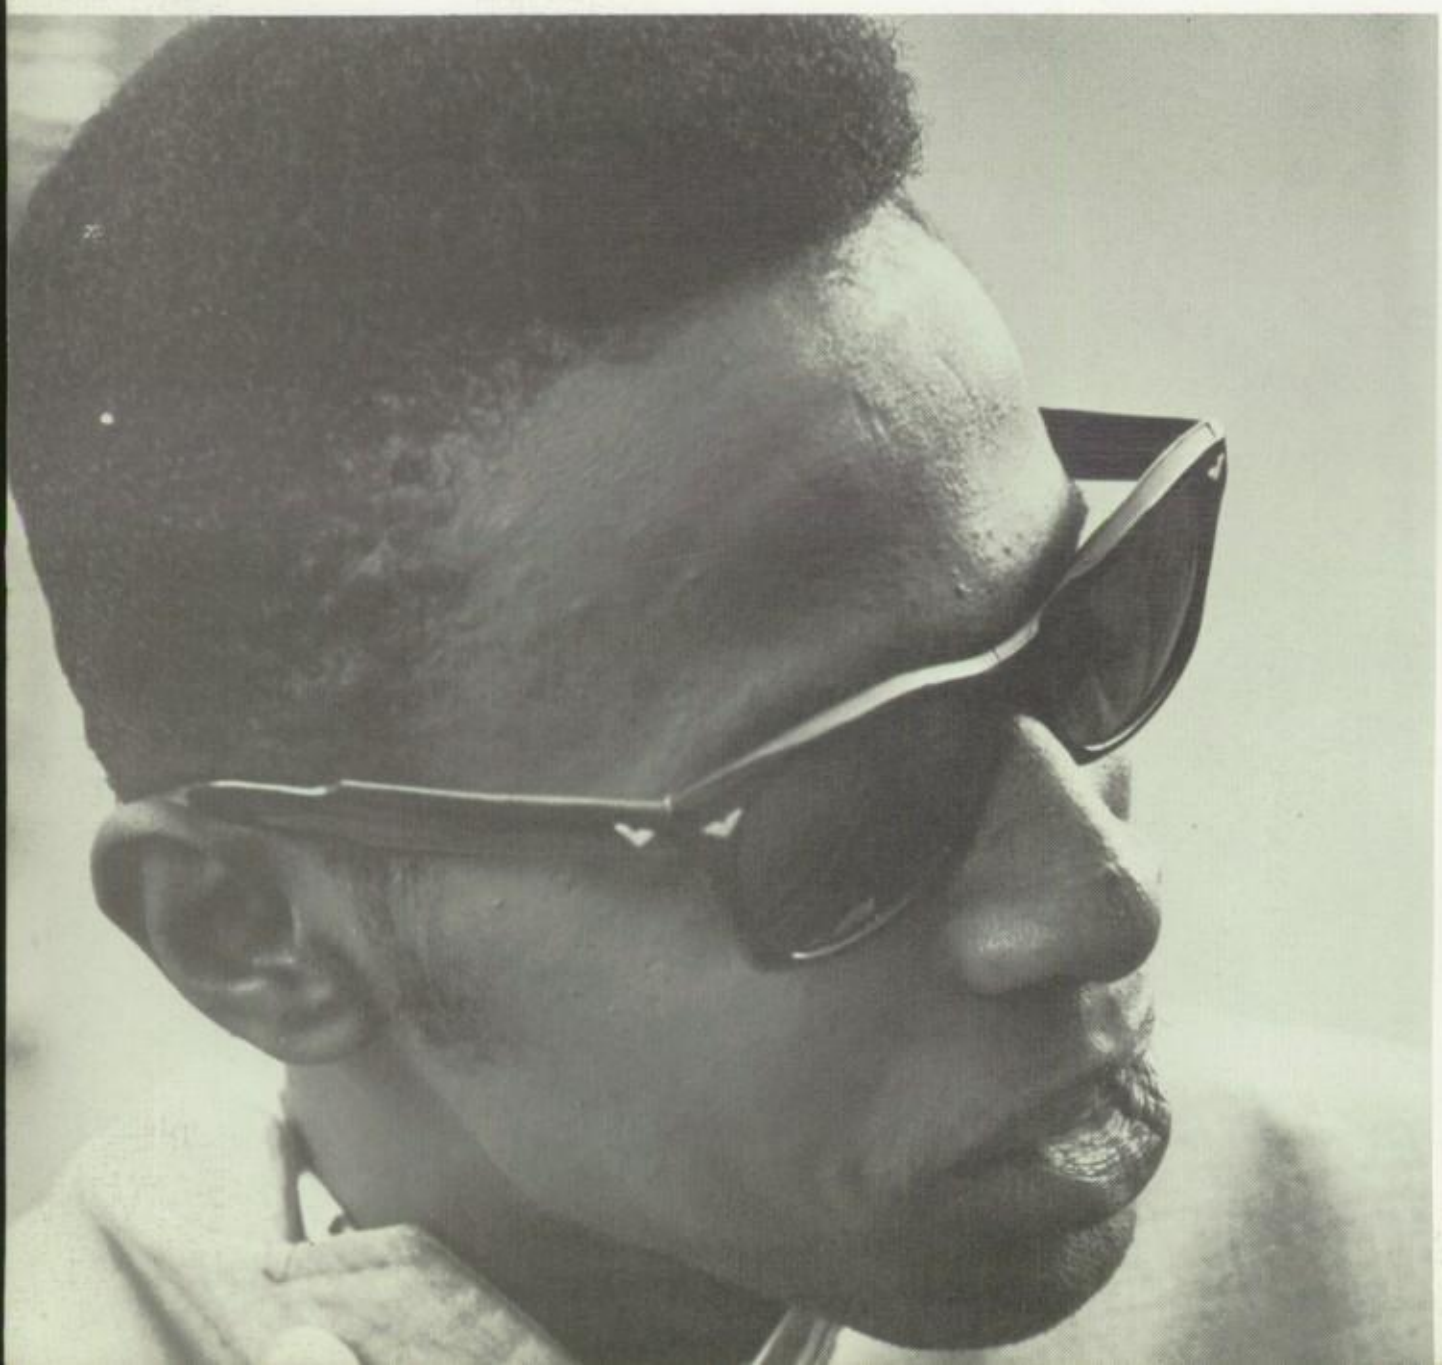
we dedicate this effort

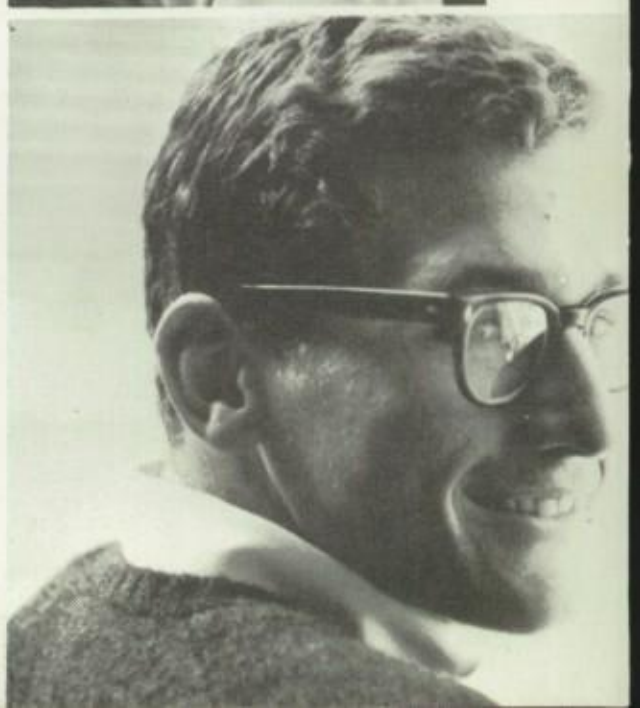


to all people — young and old — who will, we are convinced,
win a world that will be committed to
universal human dignity



the dignity in





every human face is,

in itself, a thing of beauty

—:Vicki:—

Well, it's so hard to write
just anything to someone that
I love so much, especially you.
I hope you never change your
feelings toward me, I know I'll
never change. By the time you read
this, if you keep your promise I will
be on my way to Edwa. I couldn't
wait any longer to see you even for
a little while. Don't let me mad, please.
I'll call you when I get up to Edwa.

I Love you with all my heart

Pictured on pages 41 and 42 are the following distinguished members of the Class of 1965: Seated l-r: Sandra Richardson, John Elder, Donna Drexler, Kees Tuinzing, William Stubblebine; standing l-r: Elaine Robba, Charles Collins, Lynn Terwilliger, Robert Clear, Ann Treverton, David Wilkinson, Joyce Williams, Dierdre Africa, Michelle Smith. Not pictured: Joan Taylor. Biographical sketches appear below.

Ebullient **Deirdre (DeDe) Africa** signs her Pai Staff memos "Africa," and lists on her biography questionnaire that she was elected to Pai Honors "for no reason." Having sailed off to Tahiti a couple of years back on the famous schooner The Wanderer, DeDe entered Tam late, but she has been making up for lost time with enthusiasm. She is an officer of Honor T and enjoys leisure time weaving, sailing, junk shop browsing and people-watching.

Robert Clear, member of Honor T and California Scholarship Federation, is preparing to enter the University of California in September. He is an outstanding student of mathematics and enjoys "fiddling with numbers, collecting books, information." He is president of the Tam Chess Club and comes to Mill Valley from St. Louis, Berkeley, Connecticut and Iowa.

Charles (Chuck) Collins has been a member of Honor T, C.S.F., the French Club, Tamalpais Organization for Racial Understanding, the Ski Club, the International Club, as well as president of his class during his freshman year. He was a delegate to the California Boys State and a finalist for the Experiment in International Living. A three-year lettering varsity diver and record setter, Chuck has found time to serve as co-editor of the 1965 edition of the Pai.

Sonoma State College, or Whitworth College, is the choice of **Donna Drexler,** who has presided over three campus clubs at Tam, the German Club, Nu Alpha Tau and the Girls' Athletic Association. She holds membership in the following organizations at Tam and in the community: Honor T, C.S.F., Shorthand Club, International Club, Pep Club, Job's Daughters and the Baptist Youth Fellowship. She likes sewing, tennis and swimming.

Popular **John Elder** ranks at the top of his class with a 4.0 grade point average and a wide variety of activities and accomplishments during the four years he has spent at Tam. A finalist for the National Merit Scholarship, recipient of the Optimists' Outstanding Young Citizen award, delegate to the American Legion California Boys State, John is a life member of both Honor T and C.S.F. Planning to enter Harvard or Pomona in the Fall, John completes his high school education as an outstanding athlete and student leader.

Freshman Class Treasurer, Sophomore Vice President, Girls' League Representative and President are titles held at various times by **Sandra Richardson.** She was also a member of Honor T, a Lettercarrier and nominee for Football Queen. Sandy, a Future Teacher, hopes to continue her education at San Francisco State College. She likes cooking, knitting, painting and playing the piano when she is not skiing on either water or snow.

Elaine Robba, a life member of CS. F. and Honor T., earned one of the highest grade point averages of any graduating senior. She has been Recorder and Vice Oracle of Honor T, President and Secretary of the Spanish Honor Society, and a finalist for a National Merit Scholarship. Coming to Mill Valley nine years ago from Pittsburgh and Tokyo, Japan, Elaine will continue her education at the University of California.

Michelle (Shelley) Smith highlighted her four-year program at Tam with a summer in Bangkok as an American Field Service Exchange Student just before her senior year. She has been extremely active in the International Club and Student Government, as Vice President of the student body. She was a delegate to the Model United Nations and enjoyed memberships in both C.S.F. and Honor T. An accomplished student journalist, skier, pianist and singer, Shelley hopes to major in the social sciences in college.

William Stubblebine lettered in both football and track after service as Freshman Class President. He also served on the Judicial Council and won lifetime membership in Honor T and C.S.F. Will also was a member of the Ski Club and Letterman Club. He likes underwater photography "and people". Immediately after graduation he will travel in Europe, where he will remain to study in the University of Heidelburg, Germany.

Joan Taylor held the following offices at various times during her high school career: Freshman Class Secretary, Head of Girls' Self Government, Sophomore Class Secretary, Songleader and Lettercarrier. In addition, she won membership in Honor T and C.S.F. Undecided about college, she enjoys reading, cooking, sewing and attending the legitimate theater. Honors include the D.A.R. Good Citizenship Award and election to serve as a Football Princess.

C.S.F. — Honor T member **Lynn Terwilliger** has been a member of the Tamalpais Organization for Racial Understanding, the French Club, Choir, Pi Alpha Tau, president of Nu Alpha Tau, Secretary of Girls League and President of the Girls' Athletic Association. Lynn was selected as a delegate to Girls State, but she deferred in favor of assuming the lead in the summer school production of **West Side Story.**

Ann Treverton distinguished herself at Tam by attaining life membership in C.S.F. and Honor T. She has been a member of the Publicity Committee and Pi Alpha Tau, as well as a delegate to Girls State and finalist for a National Merit Scholarship. She will attend the University of California in September.

Student Body President **Kees Tuinzing,** aside from earning membership in Honor T, distinguished himself on the playing fields as a varsity athlete. Born in Holland, Kees travelled widely in Europe and the Far East during his early years. At Tam he was a member of the Ski Club, the Tennis Team and the Letterman Club. He hopes to enter the Foreign Service after studies at George Washington University or Brown.

David Wilkinson, a life member of both Honor T and C.S.F., received a Letter of Commendation from the National Merit Scholarship Corporation during his senior year. He has been first chair flutist in the Tamalpais Orchestra, and for two years has belonged to the California All-State Board. He has also been solo flutist with the Marin Youth Orchestra and a member of the Marin Symphony. With music his favorite pre-occupation, Dave hopes to attend the Oberlin Conservatory of Music.

National Merit Award finalist **Joyce Williams** holds life membership in Honor T and C.S.F. and is a member of the Spanish Honor Society. She has held various student body posts while winning a name as a prizewinning debater and public speaker. Joyce has served as President of the Tamalpais Organization for Racial Understanding. She won the coveted right to represent Tam in the United Nations Pilgrimage for Youth. An outstanding graduate, she looks forward to studying at Lewis and Clark University.

Under the direction of Mr. Chester Carlisle, the Board of Trustees has eagerly worked to make improvements in the Tamalpais Union High School District. These are the men who are responsible for the expansion of Tamalpais, Drake and Redwood. They have realized the need for more schools and classrooms and they have taken steps to add to our schools, and to purchase the necessary land to build new schools. The members of the Board have given their time to the improvements and expansion of education.

The Election Survey Committee worked swiftly after each election to count votes. The Publicity Committee did a good job of poster making, advertising all football and basketball games. The Judicial Committee attempted and somehow managed to hold a few court sessions. The Social Committee attempted to plan dances and other social functions. The Self-Government Committees caught many students who were trying to cut rallies. Sometimes they caught each other.

The election survey committee is a vital cog in our free democratic institution. They not only count ballots, they count them twice or possibly three times and provide an undeniable valuable service! The frequent cries of graft, corruption, and ballot stuffing which surround this body are to be ignored.

spring committees

Spring committees followed the precedent of lackadaisical attitude. Student Enforcement was virtually non-existent, as were the Social, Publicity, and By-laws Committees.

The election survey committee did well despite such a poor atmosphere for work. The Judicial Committee followed the same line of work as its other follow committees.

Once upon a time there was a class in schoo',
It did not do!
But it was supposed to . . .
The Class of '65
Had a whole lot of jive!
But no money,
Honey . . .
They didn't get around
'Cuz every cat was a clown . . .
Worry that one Senior Ball wouldn't come
Made, like, all faces glum.
'Nuff said?

Due to lack of co-operation the International Club's mile of pennies stretched about a block. President Shelley Smith said the purpose of this was to benefit the program to send Tam students abroad. The club remains open to students interested in people and travel.

millard fillmore fan club

The purpose of the Millard Fillmore Fan Club is to promote free speech and expression of ideas among its club members and the student body as a whole. In fullfillment of this end, the club sponsors debates and forums on topics ranging from international relations to student body government. Dedicated to "life, liberty, and the pursuit of happiness," and related subversive activities, the Millard Fillmore Fan Club has endeared itself to the students of Tam by not sponsoring a cake sale during the year and a half of its existence. At present the club is awaiting a momentary investigation by HUAC and Mr. Davlin.

the tamalpais organization for racial understanding

The Tamalpais Organization for Racial Understanding was founded as an outgrowth of racial tension exhibited by a few students on the campus last year. Because of widespread interest, it became the second largest club on campus. The group raised money for local and national civil rights movements, invited race-relations experts, and implemented a well-planned program to create among the student community a strong awareness for the need for inter-racial justice in a democratic society.

worthwhile student assemblies return to mead theater

Messrs. Irvin, Witherow, Hawkins, Davlin, Ritchie, Healy and Newman, along with Miss Ballard and assorted Freshmen, enjoyed the program immensely.

Pete Thurston and Mike Thomsette teamed up with showstopper Dixie Piver in a sentimental straw hat routine.

"Lizard-legs" Piver with her devastating Strip-T's brought down the house with hilariously outrageous parody on Tam's ubiquitous song girls.

Ricky Judson, in a swinging "ya cain't git a man with a gun" number with Lynn Terwilliger, with rifle, took aim at Mr. Hawkins to get attention.

Mimi Champlin

Shelley Smith, Carolyn Stewert, Dixie Piver

Mike Hall, Bob Meier, Steve Hewett

With the "return" of Mead Theater, the student body found many occasions to get out into the sun. After a damply cold December and January, February brought unseasonably high temperatures—even for Marin County—and flooding sunshine.

At first a couple of English classes discovered that at least as much learning took place in Mead as in the sub-standard classrooms of heavily shored-up Keyser Hall. Then the Language Department made the same discovery, and Mead hosted, on fine days, some of the best language-arts discussions in anybody's memory.

But benefiting the entire student body most—and enjoyed by most—were the re-vitalized student programs. This year, for some reason, a new fire was added to what had for several years become a tedious weekly ritual, the Friday student assembly. The credit, all seemed to agree, was Mr. Greenwood's and his superbly timed December musical show, photographically reviewed here.

news bureau

The News, Tam's student news publication, worked hard to maintain its First Class National Scholastic Press Association rating. Putting out a publication every three weeks and meeting deadlines was the job of the seasoned staff. Betty Basom and Kathy Owen, Co-Editors, maintained conformity in their editorial comments. The Tam News Bureau was responsible for Tam's favorable publicity in outside publications. Unfortunately, not all articles submitted were printed.

pai staff

Through the sometime blue air of the Pai offices passersby could discern the varying shapes of our motley staff, hard at - er - work. Frequently—well, once in a while—unable to stiffle a burst of creative genius, one staff member or another would suddenly launch out into the uncharted ocean of yet another two-page layout.

Advisor Hull breathing down its collective neck much of the time, the staff managed to meet its deadlines with occasional room to spare. Gallons of midnight oil ablaze cast weary flickers of light along the corridors of creaky old Keyser Hall in the vicinity of Room 43 during deadline weeks.

The staff this year reviewed many yearbooks and decided to use no model, preferring to "be ourselves and to heck with second-guessing the rating services."

In his final skull session with the staff, Mr. Hull indicated that he felt the largest staff in recent Tam yearbook history had produced "a book that captures the individuality of Tam and, more importantly, a book that says 'we like you, World.'"

Through the years the most "typical" campus landmark has been the Clock Tower. Built in 1927, the tower was adorned with the three-faced clock in 1939.

Senior Patty Burke, **right,** waits bebind Mead's Roman stage for her football rally skit which came off as one of the year's funniest. Lolita Williams, **left,** and Horace Dupont, **below,** enjoyed it with 1698 other tam-ites.

Mead Theater, one of only three or four true amphitheaters on American high school campuses, was completed in 1936 as a major Mill Valley project of the federal W.P.A. During all but one of its 28 years it has witnessed countless pageants, public addresses, dramas, combined class lectures and spirit rallies. On graduation day, 1963, inspectors discovered weakening timbers in the wooden superstructure and condemned the arena until major repairs were made. The Board decided on a new concrete structure, and the following year classes were interrupted by the pounding and shoving sounds of heavy construction equipment. Never before had Mead's importance to the school been so clearly understood as during the fall pep rallies when students jammed into inadequate Ruby Scott Auditorium on a split-schedule basis. Mead re-opened only in time for the 1964 graduation when 360 grads and 2500 well-wishers turned out to ooh and ah the theater's smart new look.

Tom Teixeira finds a Mead Theater dramatic program engrossing. The entire student body came together almost every Friday in Mead throughout the year. A highpoint of the year was the production of Shakespeare's AS YOU LIKE IT late in April.

The Class of '66 spent much of the year looking forward to "next year." Jennie Thiele, **below,** anticipates a full college-prep program. Ken Kraft, **below right,** left Tam at the end of three years to attend the University of California at Berkeley, having fulfilled entrance requirements at that point. Charley Callister, **right,** could hope for repeat performances as a leading drama student, having had major roles in Ah! Wilderness and A Midsummer Night's Dream. Peter Chase, **above,** could only look forward two years to becoming a Junior.

Feeling that they had somehow been cheated on Tam's traditional competition yells at rallies by the new Mead Theater seating arrangement (which found Freshmen seated farther away from the yell judges than the other classes), the Class of '68 yelled enthusiastically, if not always in unison as the picture below indicates.

The 1965 varsity, under Coach Peter Belden, had a disappointing season. With a league record of 2-4-2, Tam had many individual stars. Nearly every game had a long run, a long pass play or an interception which thrilled loyal fans. Whipped up by a spirited team of cheerleaders, the fans displayed more spirit than anyone seemed to recall in recent past years.

The Tam offense was spearheaded by hard-driving halfback Steve Hewett, a top runner in the league. Quarterback Randy Fontan's passing targets most often proved to be lanky Ron Pederson and Hewett.

Unheralded heroes, linemen, including Marty Anthony, Ken Clark, John Henry Bennett and Ernie Bergman. Defensive linemen of note were Gary Cotten and Meludi Miles. Leading a light, but feisty, backfield were Teddy Carrillo, Mike Holloway and Steve Hewett.

j. v. football

The 1964 Junior Varsity football team, led by Scott Laurie, Kirk Sparks and Jerry Geisinger, combined a lot of talent, spirit and hard work and came up with what proved to be a very successful season. Their league record of 3 wins, 1 loss and 2 ties shows a lot of promise for future varsity teams and for quite a few of the boys as individual. Sparks is a hard runner and should improve quite a bit in the next few years; Laurie shows great promise as a quarterback.

The team was predominantly made up of sophomores, which means that most of the boys will have two more years to play for Tam. This fact, coupled with the large number of returning Varsity players, points towards very successful varsity seasons for the next few years.

J.V. quarterback Scott Laurie prepares to hand off to Dave Salaun.

Schaefer.

The Freshman football team, although its schedule was limited to only three games, displayed a lot of spirit and willingness to learn throughout its abbreviated season.

The team, as a whole, had developed quite a lot of talent by the time the year came to an end. They managed to salvage one win from their schedule, that being over Marin Catholic. They lost a close one Redwood in their final game of the season. Their other loss was to Novato.

Coach Al Ahlsten pointed out once again that first-year sports are basically to acquaint the boys with the fundamentals of the game and to give them a start towards eventually playing varsity ball. He noted that Mike Fowler and Mark Allen played exceptionally well this year, and both show good potential for the years to come.

The Pai Staff's rapidly developing photography department could not help experimenting throughout the school year. Football provided many opportunities. The picture below, called "Taffy Pull," is the result of one such opportunity.

Tam's varsity basketball squad, with a record of four wins, eight losses, placed well down in the Marin County Athletic League standings. However, a poor showing was expected, at least by the Pai Staff, due to the fact that there were only four seniors on the team, leaving the majority of the players young and inexperienced. This year's team was led by Larry Gray, who received the Independent Journal "Prep of the Week" award and who was high on the list of all-county scorers.

In addition, Larry Gray received the "Most Valuable Player Award" from the Tamalpais Boosters Club. Also receiving awards were Ron Peterson, "Most Inspirational," and Peter Nelson, "Most Improved." Prospects look good for the next few years, with freshman Alan Brooks; sophomores Steve Woodward, Mike Biber, and Steve Johnson; and juniors Honor Jackson, Greg Tellis, Pete Nelson, and Matt Bakkulitch, all returning.

"b" basketball . . . m. c. a. l. champs

Tam's '64-'65 "B" basketball squad won its first M.C.A.L. title, under the coaching of Mr. Al Ahlston. Led by a starting five of Steve Woodward, Steve Reitter, Mike Biber, Steve Johnson, and LeRoy Barrow, Tam's game consisted of a strong defense rather than a strong offense. Woodward and Barrow, the latter only a freshman, led the team in scoring, while Johnson was the big rebounder. In addition to leading the league in regular season play, the "B" squad also won the annual Christmas Tournament. This year's team figures to be the core around which the varsity teams for the next few years will be formed: Johnson, Woodward, and Bibar, all sophs will probably play varsity next year, while Barrow and Reitter will join the "big" club if not next year, the year after.

"c" basketball

Varsity Coach Ed Chavez took the littlest Indians under his wing this year. He gave them intensive drills in the fundamentals of the game; dribbling, passing and shooting.

Although the C's did have a losing season, they gained invaluable experience for future wars on the courts. Nick Gravem was particularly outstanding on defense. The team employed the same defense that the varsity used;—a zone pass.

tennis

At press time, Tam was well-represented on the tennis courts, with Coach George Gustafson expecting his well-disciplined players to finish near the top of the Marin County Athletic League's ratings. The Drake Pirates were expected to give the team its stiffest test.

Barry Brink, Joe Friedman, Mark Wiess and Senior Peter deFremery paced the squad. In pre-season meets the team had a 3-2 record.

The 1965 diving team may be the best in the history of the school. Coach Mrs. Meeks predicted an easy M.C.A.L. title, won by a trio of seniors: Steve Hewett, Chuck Collins and Bob Bangs.

New boards were installed this year prior to the big meets in the latter part of the season, making possible higher ad higher point totals. At press time the school record had already been raised from 158.6 points (Collins in '64) to 208 points by Steve Hewett, with an expected high of 250 points for this year.

Outstanding "B" class divers Baldwin, Batt, Langhoff and Kaufmann give promise of good future teams.

Tam's wrestling team, despite a slowing down in the second half of the season, managed to win the M.C.A.L. Title; this despite a loss to Redwood (the weakest team in the league) in which Mr. Healy for some unnamed and unknown reason, completely changed the normal pattern of a meet and even threatened to forfeit. (Mr. Healy?) But regardless of these and similar antics several wrestlers including John Elder, Gary Arthur, John Henry Bennet, Tommy and David Hayes. Homer Hall and Mickey Washington all enjoyed fine seasons. Several Tam wrestlers won a spot in the North Coast Sectional Meet, although none advanced farther. Outstanding prospects for the next year include Bennet Hall, David Hayes, Mickey Washington and freshman heavyweight, Bruce Hildreth.

The 1965 Indian track department, led by head coach Bruce Grant and coach George Irvin, fielded the largest squad in many years. A well-balanced team with experience and depth was headed, as of Pai deadline time, towards its first M.C.A.L. title. An early-season upset of San Francisco's powerful Lowell High School (58-55) made it evident that Tam would be well represented in league competition.

Standouts from the start of the season were: Captain Mike Holloway, 100, 220 and broad jump; Darryl Berry, 440; Gregg Sparks, Dipsea winner who ran undefeated in the mile; Mitchell Howard, hurdles; Ray Stark, high jump; Gary McCallum, pole vault; Gary Cotton, discus; and Honor Jackson, 100 and low hurdles.

"The Indian Orphans," so named because Tam had no track to work out on this year, determined to make up for the lack of facilities by ever-harder work on the oval of arch-rival, Redwood High School in Corte Madera.

The B's and the C's under coaches Grant and Irvin fared well due to the nucleus of stars who returned from last year's championship C team. This year marked the first time that they had a chance for the North Coast Section title.

The most consistent winners for the B's were Bill McGrath (1320), Mike Cleland (hurdles-high jump), Scott Laurie (pole vault), and Bill Hyata and Alan Lee (sprints).

With veteran C's such as Captain Steve Ellis in the hurdles and the 660, Dan Corte-Real in the sprints, and James Wells in the jumping events, the little Indians could impress in league competition.

There was a baseball season, during the course of which the Pai staff photographers were able to capture some interesting candid portraits.

After several unsuccessful attemps to obtain information about the season, final deadline forced the staff to abandon its efforts to cover this important sport in adequate copy. The staff is happy to have been permitted to photograph the fine athletes whose pictures appear on this and the following three pages.

The 1965 golf squad, coached by Mr. Paul Wata, had whipped almost every opponent by mid-season and seemed destined for a league title.

Four-year veteran Rick Patterson—not pictured because he took an unscheduled holiday when the golf pictures were taken, according to the staff's most reliable information—consistently made the rounds of the short Mill Valley course in par or better. Nick Blonder, also unpictured, and newcomer Jay Sherhart also chipped in pars and birdies with regularity. Richard Kneib, the "clown" of the team, proved a valuable asset in clutch situations.

The 1965 Swimming squad, under the hard-driving coaching of Jim Healy, got off to a roaring start against non-league opponents. The team was particularly strong in the freestyle events.

Tam was strong in virtually every category; Steve Donaldson and Frank Hayhurst excelled in the middle and long distance freestyle events.

Dennis Good proved to be one of the most consistent winners Tam ever had with the fastest backstroke the county has ever seen. Breaststroker Chris Averill, a freshman, was phenomenal.

Emmet Yeazell, a county record holder in the 50 free (23.4) was downed at mid-season with a muscle-bone affliction named **Osgood Schlector.** This was a severe blow to Tam's hopes of dethroning champion San Rafael.

Swimmers who will be returning to next year's team are: Brian Donnan, Dennis Good, "T" Dilcher and Tim Norrell.

Students and teachers found themselves this year involved, perhaps more than at any time since the wartime forties, with the world beyond the nearby Golden Gate.

Student unrest on the University of California campus across San Francisco Bay rippled ever so gently across to Tam, where it was met with what many observers looked on as great aplomb.

An emotion-packed national and state election in November pushed before the opening minds of the student body extremely provocative personalities and issues.

And then came Selma,
and a Tam teacher walked with the valiant teenage heroes of Alabama's "Black-Belt Revolution."

Under the leadership of Tam's student body, every high school in Marin County joined in a massive drive to assist the victims of political and social oppression in Alabama and Mississippi.

On March 15 a vigorous Presidential attack on bigotry gave sudden urgency to the struggle for human rights in the nation and the world.

1964-65 was a year during which human suffering pressed its grim reality hard into the minds of most students—and teachers—at Tam.

Far from plunging the Tam community into panic—or frightening it into a complacent aloofness, the knowledge of the reality of suffering called forth the best Tam had to offer.

It gave the perfectest awareness most of the members of the community had had of the necessity to give to every man his due in human dignity.

This mid-winter shot of the clock tower includes at right a fir tree planted thirty-five years ago by Tam's first principal, Mr. E. E. Wood. An old tradition at Tam, plantng trees and shrubs continues to occupy much of the time of the school's outstanding team of gardeners. Legend has it that one teacher, now retired, used to plant flowers to her own liking, though not always to that of the gardening staff, outside her classroom windows. With a sizable number of class-going dogs, Tam's well-trimmed gardens have earned an honored niche in the story of the school.

acknowledgments

Building a "yearbook tradition of excellence" is difficult. A staff relies on the good will and co-operation of many teachers, coaches and students.

Outstanding co-operation this year was afforded by the following: student Nancy Boyle, whose design was used for the cover; Coach Bruce Grant, Track; Coach Peter Belden, Football; Coach George Gustafson, Tennis.

A special note of thanks seems in order for those teachers and administrators who bothered to distinguish between Pai Staffers on legitimate sixth-period business about the campus and the apparently unattached campus floaters whose ranks seemed at times to number scores.

Vicki,
Hope that you will be in more of my classes next year. Have fun this summer on your job with Bill. See you next year!
Love ya
Pat

Vicki
Well another year is done and we're now seniors. It seems impossible but I hope you have had a good a year as I have and have a good summer and next year.
Sincerely
Sue Bates

Vicki —
Thank you for bringing my sweater — this has been a real changing year for you, and I hope the change will turn out good. Good luck with your life.
Irene Evans

Vicki,
Well schools over for the summer and I'm so glad. But doesn't the year seem to have gone fast? Just think, next year your a Senior and I'm a Junior, I can't believe it's happened so soon.
Best Wishes
Sandy

Vicki,
It's been an interesting year and you've helped it along. Have fun with all the boys over the summer. See you next year at Sam
Love,
Alan Lee

Vicki,
I don't know how you can take 150 w.p.m. See wish I could. Have fun this summer, and be good. Good luck with Bill.
Love ya,

Vicki —
School's out (Duh!) and now we're seniors! I hope to see you a lot this summer, what with going to dances, etc! Gayle
And don't forget you said wild so up to Russian River! Have fun this summer & Be good! Good Luck for the future years — Love ya —
